

## FIGHTING FOR YOUR RIGHTS, YOUR FREEDOM AND YOUR FUTURE. THE LAW OFFICES OF JAMES KOUSOUROS

SPECIALIZING IN STATE AND FEDERAL CRIMINAL DEFENSE IN NEW YORK AND THROUGHOUT THE COUNTRY

**WHILE MR. KOUSOUROS** has earned the praise of both state and federal judges alike, he is most proud of the gratitude and trust he has earned from his clients - because of the outcomes he has achieved and the relationships he has forged.

❖ ❖ ❖

**JAMES' ZEALOUS REPRESENTATION** and tireless dedication created a... trust that every {client} should seek. Tim, The Philippines

**BEING A TARGET OF AN INVESTIGATION** is an unrelenting burden, and the stress and fear it brings is overwhelming. I don't know what I would have done without (James') guidance. Michael

**MY THANKS ALWAYS TO MR. JAMES...** my hopes came true... and I was sent home to my family in Canada. Sohal, Canada

**WHAT GAVE ME THE MOST FAITH** was that I knew James cared about me.... I was acquitted after a 3 week trial...I will never forget you James. Carlyle

**MR. KOUSOUROS UNDERSTANDS** how frightening and challenging it is to be charged with a crime, and he takes his responsibility to defend your rights, your freedom and your future extremely seriously. He is not a lawyer who will tell his clients what they want to hear (even if they walk out the door), he is a lawyer who will tell them what they need to hear: the truth. He is not the lawyer who will make promises or offer guarantees - because he's seen the heart wrenching consequences that are born of those lawyers who have. What he will promise you is that he will mount a vigorous, meticulous, and creative defense, and that he will use his deep knowledge of the law and his unsurpassed command of the intricacies of the criminal justice system to ensure you obtain the best resolution possible. He will also promise you that his thorough familiarity with the approaches, theories, tactics and techniques of the prosecutors will allow him to anticipate problems and take advantage of every opportunity during negotiations and trials. Those will be his promises. (Mission Statement, The Process)
